UNAUDITED INTERIM FINANCIAL REPORT FOR THE QUARTER ENDED 30 JUNE 2020 NOTES TO THE INTERIM FINANCIAL REPORT

A1 The quarterly financial report is not audited and has been prepared in compliance with MFRS 134 Interim Financial Reporting and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

The condensed consolidated interim financial report should be read in conjunction with the audited financial statements of the Company for the period ended 30 June 2019. The Group has not early adopted new or revised standards and amendments to standards that have been issued but not yet effective for the accounting period beginning 1 July 2019.

The initial application of the MFRSs, Amendments to MFRSs and IC Interpretations, which will be applied prospectively or which requires extended disclosures, is not expected to have any significant financial impact to the financial statements of the Group upon their first adoption except for the following:

(a) MFRS 16: Leases

MFRS 16 has replaced MFRS 117 Leases, IC Interpretation 4 Determining whether an Arrangement contains a Lease, IC Interpretation 115 Operating Lease-Incentives and IC Interpretation 127 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. MFRS 16 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single, on-balance sheet model similar to the accounting for finance leases under MFRS 117.

Lessor accounting under MFRS 16 is substantially the same as the accounting under MFRS 117. Lessors will continue to classify all leases using the same classification principle as in MFRS 117 and distinguish between two types of leases: operating and finance leases. MFRS 16 also requires lessees and lessors to make more extensive disclosures than under MFRS 117.

The Group adopted MFRS 16 using the modified retrospective approach with the date of initial application as at 1 July 2019. Under this standard, the Group initially measured its right-of-use assets to be equal to the lease liability, which is the present value of the remaining total lease payments (adjusted for any prepaid or accrued lease payments) discounted at the date of initial application (i.e. 1 July 2019). The Group does not restate the comparative information, which continues to be reported under MFRS 117.

The effect of adoption of MFRS 16 to the Group as at 1 July 2019 is as follows:

Statement of Financial Position	Increase RM'000
Assets Property, plant and equipment - Right-of-use assets	325,001
<u>Liabilities</u> Lease liabilities	325,001

Significant accounting policies

The standard requires the Group to recognise an asset representing the right to use the underlying asset and a liability to make lease payments during the lease term. The right-of-use asset is initially measured at cost and subsequently measured at cost, less accumulated depreciation and impairment losses, adjusted for any remeasurement of the lease liability. The lease liability is initially measured at

present value of the total lease payments that are not paid at the commencement date, discounted at the interest rate implicit in the lease or, if that rate cannot be readily determined, at the Group's incremental borrowing rate. Subsequently, the lease liability is increased by the interest cost and reduced by the lease payments made accordingly. In addition, the carrying amount of lease liability is remeasured if there is a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

Currently, Malaysia has eased into the recovery phase of Movement Control Order (MCO) which will end on 31 August 2020. Sports Toto Malaysia Sdn Bhd ("Sports Toto"), the principal subsidiary of the Group which operated the gaming business was allowed to resume business after being closed since the imposition of MCO on 18 March 2020. This has resulted in the cancellation of 34 draws in the current quarter and Sports Toto was only able to conduct 6 draws in the current quarter under review. In the United Kingdom, HR Owen which operates the motor retailing business segment, has shut down its operations since 23 March 2020 to 31 May 2020, and only resumed business operations on 1 June 2020.

The Group's hotels, resorts, clubs and recreation business segments which were adversely affected by the international borders closure, reported a significantly low single digit average occupancy rates for the current quarter under review. The cancellation of events due to social distancing and other health guidelines has also adversely impacted this business segment. In order to mitigate the operating losses, austerity measures were taken after a review of the operations of the hotels, resorts, clubs and recreation business segment. Berjaya Tioman Resort ceased operations effective 15 June 2020 to undergo a much needed major re-development exercise, more so after the fire incident in September 2019. The loss adjustor has determined the final amount of claim under the fire insurance policy to be RM26.0 million. The Group plans to re-open Berjaya Tioman Resort in year 2021.

In the current quarter under review, the shopping malls and complexes of the Group had granted a 14-day rental relief to its eligible tenants who were also unable to operate during the MCO or lockdown period. As for the property development business segment, the progress of the ongoing development has been slightly delayed due to business closures during MCO.

Following the adverse impact of Covid-19 pandemic, the Group had recognised an impairment in values of investment properties and certain assets of RM18.9 million as disclosed in Note A3(a). This impairment was offset by the finance income of RM41.4 million, arising from the accelerated accretion of the balance of GMOC sales proceeds to its nominal value of RMB974 million, following the final arbitration award granted to GMOC. Details of the arbitration award are disclosed in Note B9(b).

Review of Results For the Financial Year

The summarised results of the Group are as follows:

Review of Results For the Financial Year (Cont'd)

As mentioned in the paragraphs above, the Group's profis from operations were impacted by the implementation of the lockdown measures by the various countries which has resulted in the closure of operations of its subsidiaries. Sports Toto cancelled 40 draws whilst the hotel, resort and recreation business segment reported significantly lower overall average occupancy and room rates arising from the lower tourist arrivals recorded since January 2020. The property development business segment had completed 2 residential projects, The Lanai, an affordable housing at Bukit Jalil, Kuala Lumpur and Kensington Garden, Penang.

The pre-tax profit of the current financial year under review was mainly contributed by the substantial share of profit from its associated company, namely Berjaya Kyoto Development (S) Pte Ltd group, ("BKyoto") amounting to approximately RM224 million. BKyoto had reported a substantial gain arising from the disposal of the trust beneficial interest on the hotel component of the Four Seasons Hotel & Hotel Residences Kyoto, Japan. In addition, the Group recognised finance income of RM41.4 million arising from the accelerated accretion of the balance of GMOC sales proceeds to its nominal value of RMB974 million. These gains offset the total impairment of certain of the Group's assets amounting to RM29.20 million, as disclosed in Note A3(a).

The Group reported revenue of RM7.31 billion in the previous 14-month financial period ended 30 June 2019, contributed mainly by the gaming and motor retailing business segments. The pre-tax profit of RM546.4 million reported in the same period was mainly due to a substantial gain recognised from the disposal of a joint venture amounting to RM195.74 million. This significant gain offset the unfavourable fair value changes of investment properties, impairment of goodwill, gaming rights and certain assets recorded then.

B2 Review of Results of Fourth Quarter Vs Third Quarter

	3-Month Ended 30/06/2020 RM'000	3-Month Ended 31/03/2020 RM'000	+/(-) %
Revenue	541,582	1,534,169	(65)
(Loss)/profit from operations	(104,527)	49,341	N/A
(Loss)/profit before tax	(144,618)	11,193	N/A

For the current quarter ended 30 June 2020, the Group reported a revenue of RM541.58 million and pre-tax loss of RM144.62 million as compared to revenue of RM1.53 billion and pre-tax profit of RM11.19 million in the preceding quarter ended 31 March 2020. The financial performance of the Group in the current quarter under review was affected by the longer period of business closures as compared to the preceding quarter.

Sports Toto reported a drop in revenue of 90.9% as compared to the preceding quarter mainly due to cancellation of 34 draws in the current quarter during the MCO period till 16 June 2020. Sports Toto's revenue in the preceding quarter was higher due to the traditionally higher sales from the Chinese New Year festive season in the month of January 2020, despite the cancellation of 6 draws when the MCO was imposed on 18 March 2020. Operations resumed on 17 June 2020 with a shortfall of 30 draws as compared to the preceding quarter. The losses incurred by by the other business segments were due to factors mentioned in the commentary for the current quarter in Note B1 above.

The higher pre-tax profit in the preceding quarter ended 31 March 2020 was mainly due to the higher share of profit from BKyoto amounting to approximately RM224 million.

B3 Future Prospects

The Covid-19 pandemic which resulted in unprecedented preventive measures of varying degrees of global population lockdown had adversely impacted the global economy. With the gradual easing of global population lockdown, economic activities have progressively resumed.

The Number Forecast Operator ("NFO") business has been fairly resilient in the past economic crises and turbulent periods. The Directors are confident that it will continue to maintain its market share in the NFO business for the financial year ending 30 June 2021.

The property development business segment is expected to be impacted by slower property sales mainly due to the expected liquidity squeeze arising from the contraction of the economy in the short term. The tourism industry bears the brunt of the Covid-19 pandemic with the continued closure of international borders. Domestic tourism, albeit gradually increasing, is insufficient to kick start the currently sluggish tourism industry. As such, the Directors expect the occupancy rates and the revenue from events at the hotels, resorts, clubs and recreation business segment to remain low if the international borders remain closed. The incentives announced under the Short-term Economic Recovery Package in Malaysia, particularly for the hotels and resorts and property development business segments, are expected to stimulate the economic activities.

Taking into account of all the aforesaid, the Directors expect the business operations performance of the Group for the financial year ending 30 June 2021 to be very challenging.

B4 There is no profit forecast for the financial quarter under review.

B6 The taxation charges for the current quarter and financial year ended 30 June 2020 were detailed as follows:

	3-month ended 30/06/2020 RM'000	12-month ended 30/06/2020 RM'000
Malaysian income tax	9,053	112,796

Underprovision in prior years	14,064	15,322
Deferred taxation	(30,944)	(6,518)
	(6,784)	135,462

The disproportionate tax charge of the Group for the current quarter and financial year ended 30 June 2020. was mainly due to certain expenses being disallowed for tax purposes, the non-availability of the Group tax relief in respect of losses incurred by certain subsidiary companies and the higher share of profit from an associated company during the current quarter.

The Federal Court fixed the hearing of the FC Leave Motion on 13 April 2020.

The Appellants have also filed a stay application to stay the hearing of the Main Appeal pending disposal of the FC Leave Motion. This stay application is fixed for hearing on the same day as the hearing of the Main Appeal, that is on 27 March 2020. In the event that the stay is refused by the Court of Appeal, the hearing of the Main Appeal will proceed.

Due to the Movement Control Order (MCO) coming into effect on 18 March 2020, the hearings of the FC Leave Motion and the application for stay as well as the main appeal were postponed to 6 July 2020 and 2 July 2020 respectively. A case management date for the main appeal was also fixed for 9 July 2020 by the Court of Appeal.

The balance of cash consideration of RMB1.015 billion will be received by November 2017 ("Final Instalment").

Subsequently, on 28 April 2017, the Company announced that following the completion of the Proposed Disposal, GMOC has entered into a supplementary agreement with Beijing SkyOcean to adjust the total cash consideration pursuant to the Proposed Disposal from RMB2.08 billion to RMB2.039 billion, and accordingly revise the Final Instalment to RMB974.07 million as a result of part of the land being regained by Sanhe Land and Resource Bureau, reimbursement of theme park equipment and shared expenses relating to certain electrical works.

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

On 8 December 2017, the Company announced Beijing SkyOcean had not remitted the Final Instalment to GMOC by the appointed time. Hence, GMOC after seeking legal advice, had on 7 December 2017, issued a notice of demand to Beijing SkyOcean and the Guarantors to pay to GMOC the Final Instalment and accrued late payment interest within 3 days upon receipt of the said notice, failing which GMOC will take all relevant legal measures, including commencing legal proceeding in Hong Kong against Beijing SkyOcean and the Guarantors to protect and enforce GMOC's legitimate rights.

On 19 January 2018, the Company announced that GMOC submitted a Notice of Arbitration to the Hong Kong International Arbitration Centre ("HKIAC") against Beijing SkyOcean and the Guarantors to seek recovery of the Final Instalment and accrued late payment interests as well as other reliefs.

The arbitral tribunal had since been constituted and the procedural timetable had been determined by the tribunal for pre-trial preparations, including closing of pleadings, discovery of documents and exchange of witness statements, etc. The arbitration hearing which was originally scheduled to take place in the week of 14 October 2019 was subsequently held and concluded during the week of 16 December 2019.

On 27 May 2020, the Company announced that GMOC has on 21 May 2020 obtained a favourable arbitration award from the HKIAC ("Final Award"), details of which are as follows:-

- (i) Beijing SkyOcean shall pay to GMOC the outstanding balance amount of RMB974.07 million;
- Beijing SkyOcean shall pay liquidated damages on the outstanding balance amount calculated at the People's Bank of China's lending rate of 4.75% per annum from the payment due date of 28 November 2017 until the date full payment is made;
- (iii) The Guarantors shall be jointly and severally liable for the amounts payable by Beijing SkyOcean under the Final Award; and
- (iv) The Respondents shall jointly pay legal costs of about RMB15.9 million (or about RM9.72 million) and arbitration costs of about HKD3.96 million (or about RM2.23 million) within 30 days after issuance of the Final Award, failing which late payment interest at 8% per annum shall be charged from the due date until the date of actual payment.

GMOC has proceeded to seek recognition and enforcement of the Final Award in all relevant jurisdictions upon the expiry of the 30 days' voluntary settlement period stated in the Final Award on 20 June 2020.

The abovementioned recognition and enforcement proceedings is still ongoing.

(c) On 4 June 2018, the Company announced that BLCL had entered into a Capital Transfer Agreement for the proposed disposal by BLCL of the entire resultant 32.5% of the capital contribution in Berjaya Vietnam Financial Center Limited ("BVFC") to Vinhomes Joint Stock Company ("Vinhomes") and Can Gio Tourist City Corporation for a cash consideration of VND884.93 billion (equivalent to approximately RM154.86 million) ("Proposed BVFC Disposal"). The Proposed BVFC Disposal is pending completion.

Initially, BLCL's capital contribution of VND967.31 billion comprised and represented 100% of the charter capital of BVFC. However, following the conditions imposed by the Vietnamese authorities, BVFC was required to increase its charter capital and Vinhomes had in March 2018 injected fresh capital contribution amounting to VND2,008.69 billion (equivalent to approximately RM352 million) into BVFC to fulfill the above requirement which accordingly resulted in a dilution of BLCL's holding in the charter capital of BVFC to 32.5%.

Accordingly, BLCL's initial stake in BVIUT has also been diluted from 100% to 0.8%. It is the intention of BLCL to dispose of its 0.8% stake in BVIUT in the near future ("Proposed BVIUT Disposal").

(d) On 15 July 2019, the Company announced that its wholly-owned Irish incorporated subsidiary, Berjaya Property Ireland Limited ("BPIL") has on 13 July 2019 in Reykjavik, Iceland entered into a Share Purchase Agreement ("SPA") with Icelandair Group hf. (a) JDC Lawsuit

On 6 November 2015, the Company announced that its 72.6% subsidiary, Berjaya Jeju Resort Limited ("BJR"), had instituted legal proceedings in the Republic of Korea against Jeju Free International City Development Center ("JDC") for the breach by JDC of certain terms and conditions set out in the Land Sale and Purchase Agreement dated 30 March 2009 ("Land SPA") entered into between BJR and JDC in relation to the proposed mixed development of an international themed village known as the "Jeju Airest City" in Jeju Island, Republic of Korea ("Jeju Project") and to claim for losses and damages incurred as a result thereof ("JDC Lawsuit"). JDC holds a 19% stake in BJR.

Pursuant to the Land SPA, JDC is obligated to transfer the lands acquired thereunder to BJR free from all liens, security interests and encumbrances. However, on 20 March 2015 the Supreme Court of the Republic of Korea ("Korean Supreme Court") ruled that the expropriation by JDC of certain parcels of lands which were then subsequently sold to BJR pursuant to the Land SPA was invalid. Hence JDC had breached the terms of the Land SPA as it failed to transfer good and unencumbered title to the said lands to BJR. Under the circumstances, the on-going development works on the Jeju Project were suspended pending the resolution of the lawsuits.

A consequence of the Korean Supreme Court decision is that certain former owners of the said lands had filed lawsuits against JDC and BJR, seeking the cancellation of registration of land titles ("Landowners Lawsuits").

Pursuant to the financing arrangement for Phase 1 of the Jeju Project and following the suspension of the development work thereon, JDC had repurchased part of the lands (under Phases 2 to 9) for KRW107.0 billion (or about RM374.5 million) and the cash proceeds were used to fully settle the loan outstanding with the financiers, and to partially settle the Phase 1 construction cost due and owing to the main contractor.

On completion of the land repurchased by JDC, BJR gave notice to terminate the Land SPA in respect of the remaining land under Phase 1 of the Jeju Project.BJR has grounds to terminate the Land SPA following court decisions rendered in certain of the Landowner Lawsuits to cancel the registration of land titles.

At the preparatory court hearing on 14 October 2016, the presiding judge had agreed to BJR's application to conduct a land price appraisal of the Jeju Project to quantify the amount of damages. The presiding judge had also made an inspection of the Jeju Project site on 25 November 2016. The land price appraisal report of the Jeju Project had been completed by the court-appointed land appraisal company and the land price appraisal report has been submitted directly to the court.

(a) JDC Lawsuit (cont'd)

On 13 September 2017, Jeju District Court rendered a judgement against JDC and Seogwipo City in the Administrative Lawsuit. The judgement rendered all of the development approvals issued in connection with the Jeju Project null and void. JDC and Seogwipo City have filed an appeal against the Administrative Lawsuit judgement. On 1 February 2019, the Korean Supreme Court dismissed JDC and Seogwipo City's appeal.

In view of the nullification of all the development approvals issued in connection with the Jeju Project, BJR made an application to the court in the JDC Lawsuit for a supplementary land price appraisal report, to be prepared with respect to the Jeju Project site subject to a revised assumption that no development approval had been issued on the Jeju Project site. In February 2018, the presiding judge in the JDC Lawsuit was re-assigned to another court, and another judge was appointed as the new presiding judge in the JDC Lawsuit.

In July 2018, BJR made an application to the court in the JDC Lawsuit to conduct a second supplementary land price appraisal report, as BJR was dissatisfied with the first supplementary land appraisal report which was based on disputable land reference. The court in the JDC Lawsuit granted BJR's application to conduct a second supplementary appraisal, to be undertaken by a different appraiser. The second supplementary land price appraisal report has been completed and a preparatory hearing was held on 20 June 2019. The presiding judge closed the preparatory proceedings for pleading and stated that the formal hearing will commence on 25 July 2019.

At the formal hearing held on 25 July 2019, the presiding judge requested BJR to submit evidentiary evidence with respect to the total claims by BJR and fixed 19 September 2019 as the next hearing date. On 19 September 2019, the presiding judge fixed 31 October 2019 as the final hearing before the court decides on the JDC Lawsuit. The final hearing was subsequently re-set to 25 November 2019. The court has fixed 9 January 2020 for delivery of the judgment. On 9 January 2020, the delivery of the court's judgement was postponed to 6 February 2020. On 6 February 2020, the court further postponed the delivery of its judgement to 23 June 2020.

On 23 June 2020, the Company announced the Seoul Central District Court has rendered a mediation decision at the request of the parties to the JDC Lawsuit based upon the principal terms of their settlement negotiations ("Mediation Decision"). Pursuant to the Mediation Decision, the Company and its subsidiaries namely Berjaya Leisure (Cayman) Limited ("BLCL") and BJR, together with Swan Street Partners LLC ("SSP"), an investor in BJR, have on 30 June 2020 entered into a Settlement Agreement with JDC to fully, comprehensively and finally settle and resolve any and all potential disputes arising out of and/or in connection with the Jeju Project and the JDC Lawsuit ("Settlement").

Pursuant to the Settlement, all parties agree to resolve all disputes arising from the Jeju Project via payment by JDC of:

- (a) KRW125.00 billion (or about RM443.88 million) to BLCL and SSP as compensation for damages incurred as joint venture partners of JDC in BJR ("JVA Damages"); and
- (b) a compensation sum to BJR due to damages incurred by BJR with regard to the Land SPA and the Jeju Project, where BJR shall utilise such sum to repay its relevant liabilities, payables and expenses which includes the debt owing to POSCO Engineering & Construction Co., Ltd. ("POSCO", the main contractor for the Jeju Project) and part of the inter-company loan amount owing by BJR to BLCL ("Land SPA Damages").

The estimated total settlement sum to be received by BLCL from the JVA Damages and Land SPA Damages, net of relevant taxes and expenses, is estimated to be about KRW102.00 billion (or about RM362.19 million).

In the event that the stay is refused by the Court of Appeal, the hearing of the Main Appeal will proceed.

Due to the Movement Control Order (MCO) coming into effect on 18 March 2020, the hearings of the FC Leave Motion and the application for stay as well as the main appeal were postponed to 6 July 2020 and 2 July 2020 respectively. A case management date for the main appeal was also fixed for 9 July 2020 by the Court of Appeal.
