The accounting policies and methods of computations used in the preparation of the financial statements are consistent with those adopted in the audited financial statements for the financial year ended 30 June 2021 except the adoption of the new or revised standards, IC Interpretations and amendments to standards.

The Group has not early adopted new or revised standards and amendments to standards that have been issued but not yet effective for the accounting period beginning 1 July 2021.

The initial application of the MFRSs, Amendments to MFRSs and IC Interpretations, which will be applied prospectively or which requires extended disclosures, is not expected to have any significant financial impact to the financial statements of the Group upon their first adoption.

- A2 Our principal business operations are not significantly affected by any seasonal or cyclical factors except for:
 - (i) the property development division which is affected by the prevailing cyclical economic conditions;

Malaysia, like many countries, have transitioned into the endemic phase of COVID-19 pandemic on 1 April 2022, with the opening of its borders. Further, the negative list which prohibited certain business and social activities was relaxed on 15 May 2022.

Review of Results For the Current Quarter Ended 30 June 2022

The summarised results of the Group are as follows:	3-Month	3-Month Ended	
	30/06/2022 RM'000		
Davanua			% 42
Revenue Profit from operations	<u>1,750,237</u> 112,443	<u>1,235,548</u> 48,126	<u>42</u> 134
Loss before tax	(145,419)	(74,160)	96

The Group registered a revenue of RM1.75 billion and pre-tax loss of RM145.42 million in the current quarter ended 30 June 2022 as compared to a revenue of RM1.24 billion and pre-tax loss of RM74.16 million in the previous year corresponding quarter.

The higher Group revenue was mainly due to:

(i) the gaming business segment operated by STM Lottery Sdn Bhd (formerly known as Sports Toto Malaysia Sdn Bhd) ("STM Lottery") which reported an increase in revenue of 47.8% mainly due to higher number of draws conducted, ie having 42 draws in the current quarter as compared to only 28 draws in the previous year corresponding quarter. STM Lottery's operations were adversely impacted with the cancellation of 15 draws in the previous year corresponding quarter due to the Third Movement Control Order ("MCO 3.0) from 1 June 2021 to 13 September 2021 imposed by the Malaysian Government.

Review of Results For the Current Quarter Ended 30 June 2022 (Cont'd)

The higher Group revenue was mainly due to (cont'd):

- (ii) the higher overall occupancy and average room rates reported by the hotels and resorts business segment, in particular from the hotels in Iceland after the easing of travel and social restrictions during the current quarter under review;
- (iii) higher property progress billings reported by property development and investment business segment from its project at The Tropika, Bukit Jalil; and
- (iv) higher sales recorded from both new and used car sectors reported by H.R. Owen with gradual recovery in supply volume after the earlier supply chain disruption.

The Group reported 134% increase in its profit from operations. The higher profit from operations was mainly contributed by STM Lottery due to the above mentioned reasons. Moreover, the hotel and resorts, and property development and investment business as reported improved performance after the resumption of international and domestic travel and further relaxation of the COVID-19 standard operating procedures. The higher profit from operations was achieved despite having lower profit contribution from HR Owen, which incurred higher operating expenses in this quarter under review.

The Group incurred a pre-tax loss of RM145.42 million after the provision of partial impairment on balance sale proceeds of Great Mall Project amounting to RM197.8 million in view of the prolonged and arduous enforcement procedures of the arbitration award. The continued COVID-19 lockdowns in the PRC had certainly disrupted the enforcement process. Notwithstanding the partial impairment made, GMOC is vigorously pursuing enforcements in both jurisdictions in the PRC and Hong Kong.

The Group had also accounted for an impairment of goodwill amounting to RM11.8 million as the recoverable amount of the cash-generating units of a business unit was assessed to be lower than its carrying value.

With the exclusion of the partial impairment of RM197.8 million, the Group would have reported a pre-tax profit of about RM52.4 million.

<u>Review of Results For the Financial Year</u> The summarised results of the Group are as follows:	12-Month	Ended	
	30/06/2022 RM'000	30/06/2021 RM'000	+/(-) %
Revenue	6,054,296	5,406,076	12
Profit from operations	261,481	150,558	74
Loss before tax	(98,838)	(42,232)	134

For the current financial year ended 30 June 2022 under review, the Group registered a revenue of RM6.05 billion and pre-tax loss of RM98.84 million as compared to a revenue of RM5.41 billion and pre-tax loss of RM42.23 million reported in the previous financial year.

The higher Group revenue was mainly due to:

- (i) the hotel and resorts business segment reported higher overall average occupancy and room rates during the current financial year with the easing of international travel restrictions; and
- (ii) H.R. Owen reported an increase in revenue of 20.5% from strong demand with gradual supply volume recovery and also price-mix tailwinds leading to strong used car profit margin due to the earlier supply chain disruptions in the new car sector.

Review of Results For the Financial Year (Cont'd)

The above offset the lower overall property progress billings reported by the property development and investment business segment in the current financial year under review. In the previous year, the Group recorded higher revenue after the handing over of a mixed development in Dong Nai, Vietnam. In addition, STM Lottery's revenue decreased by 5.3% with the cancellation of 37 draws during the current financial year due to the nationwide lockdown from 1 June 2021 to 13 September 2021.

The higher profit from operations in the current financial year was in line with the higher revenue reported by HR Owen and other business segments other than STM Lottery.

The higher pre-tax loss in the current financial year was mainly due to the partial impairment loss on balance sale proceeds of Great Mall Project amounting to RM197.8 million as stated in the above review of quarterly results. This was mitigated by lower share of losses from the Group's associated companies and joint ventures. With the exclusion of the partial impairment of RM197.8 million, the Group would have reported a pre-tax profit of about RM98.9 million.

B2 Review of Results of Fourth Quarter Vs Third Quarter

	3-Month Ended 30/06/2022 RM'000	3-Month Ended 31/03/2022 RM'000	+/(-) %
Revenue	1,750,237	1,912,603	(8)
Profit from operations	112,443	106,735	5
(Loss)/Profit before tax	(145,419)	88,179	N/A

For the current quarter ended 30 June 2022, the Group reported a revenue of RM1.75 billion and pre-tax loss of RM145.42 million as compared to a revenue of RM1.91 billion and pre-tax profit of RM88.18 million in the preceding quarter ended 31 March 2022.

The Group's lower revenue was mainly due to:

- (i) STM Lottery reported lower revenue by 18.4% due to lower accumulated jackpot prizes as one of the lotto jackpot prizes was struck in the preceding quarter; and
- (ii) H.R. Owen reported a lower revenue by 13.5% primarily due to lower volume of vehicle sold from the new car sector as the preceding quarter benefitted from the number plate change month and the backlog fullfilment of delivery orders from earlier quarters.

The above factors offset:

- (i) the higher revenue registered by the hotel and resorts business segment from higher occupancy and average room rates; and
- (ii) higher property progress billings reported by property development and investment business segment from its project at The Tropika, Bukit Jalil.

The Group reported higher pre-tax loss in the current quarter mainly due to the partial impairment loss on balance sale proceeds of Great Mall Project amounting to RM197.8 million as stated in Note B1. In the preceding quarter, the Group recorded a gain on disposal of investment properties amounting to RM22.4 million. STM Lottery and H.R. Owen reported correspondingly lower profit due to their lower revenue registered. In addition, the Group equity accounted for higher share of losses from its associated companies in the current quarter under review.

B2 Review of Results of Fourth Quarter Vs Third Quarter (Cont'd)

These offset the positive contribution from the hotels and resorts and property development and investment business segments arising from higher revenue.

B3 Future Prospects

The global economy has started to recover as most countries in the world have transitioned into the endemic phase of the COVID-19 pandemic with the full resumption of business activities and the re-opening of international borders. However, the recent rise of global inflation rates caused by the reduction of commodities supplies and disruptions in supply chains, brought on by the ongoing Russia-Ukraine war and the COVID-19 lockdowns in China as well as the geopolitical tension, have certainly impacted the economic recovery rate.

Taking into account of the aforesaid and barring any unforeseen circumstances, the Directors expect the performance of the business operations of the Group for the financial year ending 30 June 2023 to be satisfactory, despite having to bear the rising operating costs going forward.

	3-month ended 30/06/2022 RM'000	12-month ended 30/06/2022 RM'000

The judgement rendered on 9 November 2017 was as follows (cont'd):

The 1st and 5th Respondents have also applied to stay the ongoing proceedings in the Shah Alam High Court and the execution of the Shah Alam High Court judgement in the judicial review proceedings ("Stay of Proceedings Application"). The Applicants have applied to the Shah Alam High Court for an extension of time to submit the proposal papers to the the first and fifth respondents ("Extension of Time Application"). In addition, the Applicants have also filed an application for assessment of compensation pursuant to the aforesaid Shah Alam High Court judgement ("Assessment Proceedings").

The Court of Appeal has granted a stay of execution of the High Court judgment and the Assessment Proceedings pending the disposal of the Main Appeal at the Court of Appeal.

The hearing of the Selangor State Government's appeal at the Court of Appeal which was previously fixed on 24 October 2019 has been vacated by the Court of Appeal. The Court of Appeal will instead hear a motion by the Selangor State Government to adduce further evidence in this matter. The Court of Appeal has then fixed 22 November 2019 as case management date to fix the hearing date of the Main Appeal. On 22 November 2019, the Court of Appeal fixed the hearing date of the Main Appeal on 27 March 2020.

The hearing of the Selangor State Government's motion to adduce further evidence in the matter was dismissed by the Court of Appeal on 24 October 2019. The Appellants subsequently filed a motion for leave to appeal to the Federal Court against the decision of the Court of Appeal in dismissing the Appellants' motion to adduce further evidence (the "FC Leave Motion"). The Federal Court has fixed the hearing of the Appellants' application for leave to appeal on 13 April 2020.

The Appellants have also filed a stay application to stay the hearing of the Main Appeal pending disposal of the FC Leave Motion. This stay application was fixed for hearing on the same day as the hearing of the Main Appeal, that was on 27 March 2020. In the event that the stay is refused by the Court of Appeal, the hearing of the Main Appeal will proceed.

Due to the Movement Control Order (MCO) coming into effect on 18 March 2020, the hearings of the FC Leave Motion and the application for stay as well as the Main Appeal were postponed to 6 July 2020 and 2 July 2020 respectively. A case management date for the main appeal was also fixed for 9 July 2020 by the Court of Appeal.

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

Subsequently, the State Government has withdrawn both the FC Leave Motion and the stay application at the Court of Appeal on 19 June 2020 and 2 July 2020 respectively. The hearing of the Main Appeal by the Court of Appeal was initially fixed on 14 December 2020. However, the Court of Appeal had postponed the hearing date of the Main Appeal to 29 June 2021. The implementation of FMCO beginning 1 June 2021 further postponed the hearing date to 27 September 2021. On 27 September 2021, the Court of Appeal postponed the hearing to 3 November 2021.

The Main Appeal was heard by the Court of Appeal on 3 November 2021.

The Court of Appeal allowed the appeal of the Appellants and set aside the decision of the Shah Alam High Court rendered on 9 November 2017.

The Applicants do not agree with the decision of the Court of Appeal and filed a motion for leave to appeal to the Federal Court to set aside the decision of the Court of Appeal and restore the decision of the Shah Alam High Court of 9 November 2017 ("Motion for Leave"). The initial hearing date to hear the Motion for Leave at the Federal Court on 2 August 2022 was postponed to a later date to be fixed by the Federal Court.

With respect to the Assessment Proceedings and Extension of Time Application, the Shah Alam High Court has fixed a further case management date on 25 November 2021 for the Applicants to update the Shah Alam High Court as to their next course of action following the Court of Appeal's decision of 3 November 2021.

The case management date at the Shah Alam High Court was subsequently rescheduled to 8 December 2021. At the case management on 8 December 2021, the Shah Alam High Court directed that in light of the Court of Appeal's decision on 3 November 2021, which allowed the Appellants' appeal against the Shah Alam High Court's decision, there are no further proceedings on both the Assessment Proceedings and the Extension of Time Application at the Shah Alam High Court. Hence, there is no basis for the applications to be kept in abeyance at the Shah Alam High Court. The Court then struck out both the Assessment Proceedings and the Extension of Time Application of Time Application with no order as to costs.

(b) On 16 December 2015, the Company announced that Berjaya (China) Great Mall Co. Ltd ("GMOC"), a 51%-owned subsidiary of Berjaya Leisure (Cayman) Limited ("BLCL"), which in turn is a wholly-owned subsidiary of the Company had entered into a Construction Project Transfer Agreement ("Contract") with Beijing SkyOcean International Holdings Limited ("Beijing SkyOcean"), for the proposed disposal of the Berjaya (China) Great Mall Recreation Centre which is under construction and located in Sanhe City, Hebei Province, the People's Republic of China ("Great Mall Project"), for a cash consideration of RMB2.08 billion (or about RM1.39 billion) ("Proposed Disposal").

Beijing SkyOcean has paid:

- (i) RMB50.0 million (or about RM33.4 million) to GMOC on the signing of the Contract; and
- (ii) RMB1.015 billion (or about RM677.92 million) paid into an escrow bank account ("1st Instalment"). This amount shall be released to GMOC within 5 working days after all condition precedents ("CP") have been fulfilled.

On 16 December 2016, the Company announced that the Proposed Disposal has been completed with the receipt of RMB1.015 billion or 1st Instalment by GMOC from the escrow bank account following the fulfilment of all CP. The balance of cash consideration of RMB1.015 billion will be received by November 2017 ("Final Instalment").

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

Subsequently, on 28 April 2017, the Company announced that following the completion of the Proposed Disposal, GMOC has entered into a supplementary agreement with Beijing SkyOcean to adjust the total cash consideration pursuant to the Proposed Disposal from RMB2.08 billion to RMB2.039 billion, and accordingly revise the Final Instalment to RMB974.07 million as a result of part of the land being regained by Sanhe Land and Resource Bureau, reimbursement of theme park equipment and shared expenses relating to certain electrical works.

SkyOcean Holdings Group Limited which holds 100% stake in Beijing SkyOcean, and its major shareholder, Mr. Zhou Zheng ("the Guarantors") shall guarantee the performance of the obligations by Beijing SkyOcean pursuant to the Contract.

On 8 December 2017, the Company announced Beijing SkyOcean had not remitted the Final Instalment to GMOC by the appointed time. Hence, GMOC after seeking legal advice, had on 7 December 2017, issued a notice of demand to Beijing SkyOcean and the Guarantors to pay to GMOC the Final Instalment and accrued late payment interest within 3 days upon receipt of the said notice, failing which GMOC will take all relevant legal measures, including commencing legal proceeding in Hong Kong against Beijing SkyOcean and the Guarantors to protect and enforce GMOC's legitimate rights.

On 19 January 2018, the Company announced that GMOC submitted a Notice of Arbitration to the Hong Kong International Arbitration Centre ("HKIAC") against Beijing SkyOcean and the Guarantors ("Respondents") to seek recovery of the Final Instalment and accrued late payment interests as well as other reliefs.

The arbitral tribunal was constituted and the procedural timetable was determined by the tribunal for pre-trial preparations, including closing of pleadings, discovery of documents and exchange of witness statements, etc. The arbitration hearing which was originally scheduled to take place in the week of 14 October 2019 was subsequently held and concluded during the week of 16 December 2019.

On 27 May 2020, the Company announced that GMOC has on 21 May 2020 obtained a favourable arbitration award from the HKIAC ("Final Award"), details of which are as follows:-

- (i) Beijing SkyOcean shall pay to GMOC the outstanding balance amount of RMB974.07 million;
- Beijing SkyOcean shall pay liquidated damages on the outstanding balance amount calculated at the People's Bank of China's lending rate of 4.75% per annum from the payment due date of 28 November 2017 until the date full payment is made;
- (iii) The Guarantors shall be jointly and severally liable for the amounts payable by Beijing SkyOcean under the Final Award; and
- (iv) The Respondents shall jointly pay legal costs of about RMB15.9 million (or about RM9.72 million) and arbitration costs of about HKD3.96 million (or about RM2.23 million) within 30 days after issuance of the Final Award, failing which late payment interest at 8% per annum shall be charged from the due date until the date of actual payment.

On 18 December 2020, Beijing Fourth Intermediate People's Court ordered the recognition and enforcement of GMOC's Final Award under the Supplemental Arrangement Concerning Mutual Enforcement of Arbitral Awards between the Mainland and the Hong Kong Special Administrative Region ("HKSAR"), which was entered between the Chinese Supreme People's Court and HKSAR.

B7 The corporate proposals announced by the Group but not completed as at the date of this announcement are listed below (cont'd):

On 2 June 2021, the Hong Kong Court ordered a bankruptcy order against Zhou Zheng. Subsequently, GMOC appointed Grant Thornton Recovery & Reorganisation Limited as joint and several trustees of the property of Zhou Zheng, to investigate, identify, freeze and auction the identified properties as well as investments to recover the Final Award.

The courts in the People's Republic of China and Hong Kong have ordered that various assets of Beijing SkyOcean and its Guarantors to be frozen and will be appraised for auction to eventually recover the Final Award.

The abovementioned enforcement proceedings are still ongoing.

(c) On 4 June 2018, the Company announced that BLCL had entered into a Capital Transfer Agreement for the proposed disposal by BLCL of the entire resultant 32.5% of the capital contribution in Berjaya Vietnam Financial Center Limited ("BVFC") to Vinhomes Joint Stock Company ("Vinhomes") and Can Gio Tourist City Corporation for a cash consideration of VND884.93 billion (equivalent to approximately RM154.86 million) ("Proposed BVFC Disposal"). The Proposed BVFC Disposal is pending completion.

Initially, BLCL's capital contribution of VND967.31 billion comprised and represented 100% of the charter capital of BVFC. However, following the conditions imposed by the Vietnamese authorities, BVFC was required to increase its charter capital and Vinhomes had in March 2018 injected fresh capital contribution amounting to VND2,008.69 billion (equivalent to approximately RM352 million) into BVFC to fulfill the above requirement which accordingly resulted in a dilution of BLCL's holding in the charter capital of BVFC to 32.5%.

In conjunction with the Proposed BVFC Disposal, Vinhomes and its affiliates are also being considered as potential purchasers of Berjaya Vietnam International University Town One Member Limited Liability Company ("BVIUT") and have in December 2017 also injected a cash sum of VND11,904 billion as fresh capital contribution into BVIUT in order to meet certain similar conditions imposed by the Vietnamese authorities which require BVIUT to increase its charter capital to VND12,000 billion.

Accordingly, BLCL's initial stake in BVIUT has also been diluted from 100% to 0.8%. It is the intention of BLCL to dispose of its 0.8% stake in BVIUT in the near future ("Proposed BVIUT Disposal").

(a) GMOC Project Arbitration Proceedings

Reference is made to Note B7 (b).

On 19 January 2018, the Company announced that GMOC submitted a Notice of Arbitration to the Hong Kong International Arbitration Centre ("HKIAC") against Beijing SkyOcean and the Guarantors ("Respondents") to seek recovery of the Final Instalment and accrued late payment interests ("Outstanding Payment") as well as as other reliefs.

The arbitral tribunal was constituted and the procedural timetable was determined by the tribunal for pre-trial preparations, including closing of pleadings and exchange of witness statements, etc. The arbitration hearing which was originally scheduled to take place in the week of 14 October 2019 was subsequently held and concluded during the week of 16 December 2019.

On 27 May 2020, the Company announced that GMOC has on 21 May 2020 obtained a favourable arbitration award from the HKIAC ("Final Award"), details of which are as follows:-

- (i) Beijing SkyOcean shall pay to GMOC the outstanding balance amount of RMB974.07 million;
- Beijing SkyOcean shall pay liquidated damages on the outstanding balance amount calculated at the People's Bank of China's lending rate of 4.75% per annum from the payment due date of 28 November 2017 until the date full payment is made;
- (iii) The Guarantors shall be jointly and severally liable for the amounts payable by Beijing SkyOcean under the Final Award; and
- (iv) The Respondents shall jointly pay legal costs of about RMB15.9 million (or about RM9.72 million) and arbitration costs of about HKD3.96 million (or about RM2.23 million) within 30 days after issuance of the Final Award, failing which late payment interest at 8% per annum shall be charged from the due date until the date of actual payment.

On 18 December 2020, Beijing Fourth Intermediate People's Court ordered the recognition and enforcement of GMOC's Final Award under the Supplemental Arrangement Concerning Mutual Enforcement of Arbitral Awards between the Mainland and the Hong Kong Special Administrative Region ("HKSAR"), which was entered between the Chinese Supreme People's Court and HKSAR.

On 2 June 2021, the Hong Kong Court ordered a bankruptcy order against Zhou Zheng. Subsequently, GMOC appointed Grant Thornton Recovery & Reorganisation Limited as joint and several trustees of the property of Zhou Zheng, to investigate, identify, freeze and auction the identified properties as well as investments to recover the Final Award.

The courts in the People's Republic of China and Hong Kong have ordered that various assets of Beijing SkyOcean and its Guarantors to be frozen and will be appraised for auction to eventually recover the Final Award.

The abovementioned enforcement proceedings are still ongoing.

(b) BCity Project Legal Proceedings

Reference is made to Note B7(a).

On 10 November 2017, the Company announced that further to the legal proceedings instituted by the Company, BTSB and BCity (the "Applicants") in March 2016 against the (1) Selangor State Government, (2) MDHS, (3) Majlis Daerah Kuala Selangor, (4) Pengarah Pejabat Tanah & Galian Negeri Selangor, (5) Pengarah Jabatan Perancangan Bandar dan Desa Negeri Selangor, 6) Pengarah Jabatan Kerja Raya Negeri Selangor, (7) Pengarah Jabatan Alam Sekitar Negeri Selangor and (8) Pengarah Jabatan Geosains Negeri Selangor (the "Respondents") by way of an application for judicial review in the Shah Alam High Court, the Shah Alam High Court had on 9 November 2017 decided on the judicial review in favour of the Applicants.

(b) BCity Project Legal Proceedings (Cont'd)

Further to the above, on 14 December 2017, the Company announced that the Selangor State Government and several other respondents ("the Appellants") have filed a Notice of Appeal to the Court of Appeal to appeal against the decision of the Shah Alam High Court made on 9 November 2017 ("Main Appeal").

The 1st and 5th Respondents have also applied to stay the ongoing proceedings in the Shah Alam High Court and the execution of the Shah Alam High Court judgement in the judicial review proceedings ("Stay of Proceedings Application"). The Applicants have applied to the Shah Alam High Court for an extension of time to submit the proposal papers to the the first and fifth respondents ("Extension of Time Application"). In addition, the Applicants have also filed an application for assessment of compensation pursuant to the aforesaid Shah Alam High Court judgement ("Assessment Proceedings").

The Court of Appeal has granted a stay of execution of the Shah Alam High Court judgement and the Assessment Proceedings pending the disposal of the Main Appeal at the Court of Appeal.

The hearing of the Selangor State Government's appeal at the Court of Appeal which was previously fixed on 24 October 2019 has been vacated by the Court of Appeal. The Court of Appeal will instead hear a motion by the Selangor State Government to adduce further evidence in this matter. The Court of Appeal has then fixed 22 November 2019 as case management date to fix the hearing date of the Main Appeal. On 22 November 2019, the Court of Appeal fixed the hearing date of the Main Appeal on 27 March 2020.

The hearing of the Selangor State Government's motion to adduce further evidence in the matter was dismissed by the Court of Appeal on 24 October 2019. The Appellants subsequently filed a motion for leave to appeal to the Federal Court against the decision of the Court of Appeal in dismissing the Appellants' motion to adduce further evidence (the "FC Leave Motion"). The Federal Court has fixed the hearing of the Appellants' application for leave to appeal on 13 April 2020.

The Appellants have also filed a stay application to stay the hearing of the Main Appeal pending disposal of the FC Leave Motion. This stay application is fixed for hearing on the same day as the hearing of the Main Appeal, that is on 27 March 2020. In the event that the stay is refused by the Court of Appeal, the hearing of the Main Appeal will proceed.

Due to the Movement Control Order (MCO) coming into effect on 18 March 2020, the hearings of the FC Leave Motion and the application for stay as well as the Main Appeal were postponed to 6 July 2020 and 2 July 2020 respectively. A case management date for the Main Appeal was also fixed for 9 July 2020 by the Court of Appeal.

Subsequently, the State Government has withdrawn both the FC Leave Motion and the stay application at the Court of Appeal on 19 June 2020 and 2 July 2020 respectively. The hearing of the Main Appeal by the Court of Appeal was initially fixed on 14 December 2020. However, the Court of Appeal had postponed the hearing date of the Main Appeal to 29 June 2021. The implementation of FMCO beginning 1 June 2021 further postponed the hearing date to 27 September 2021. On 27 September 2021, the Court of Appeal postponed the hearing to 3 November 2021.

The Main Appeal was heard by the Court of Appeal on 3 November 2021.

(b) BCity Project Legal Proceedings (Cont'd)

The Court of Appeal allowed the appeal of the Appellants and set aside the decision of the Shah Alam High Court rendered on 9 November 2017.

The Applicants do not agree with the decision of the Court of Appeal and filed a motion for leave to appeal to the Federal Court to set aside the decision of the Court of Appeal and restore the decision of the Shah Alam High Court of 9 November 2017 ("Motion for Leave"). The initial hearing date to hear the Motion for Leave at the Federal Court on 2 August 2022 was postponed to a later date to be fixed by the Federal Court.

With respect to the Assessment Proceedings and Extension of Time Application, the Shah Alam High Court has fixed a further case management date on 25 November 2021 for the Applicants to update the Shah Alam High Court as to their next course of action following the Court of Appeal's decision of 3 November 2021.

The case management date at the Shah Alam High Court was subsequently rescheduled to 8 December 2021. At the case management on 8 December 2021, the Shah Alam High Court directed that in light of the Court of Appeal's decision on 3 November 2021, which allowed the Appellants' appeal against the Shah Alam High Court's decision, there are no further proceedings on both the Assessment Proceedings and the Extension of Time Application at the Shah Alam High Court. Hence, there is no basis for the applications to be kept in abeyance at the Shah Alam High Court. The Court then struck out both the Assessment Proceedings and the Extension of Time Application of Time Application with no order as to costs.

The BCity Project Legal Proceedings is still ongoing.

(c) Amat Muhibah Tax Dispute

On 16 June 2021, the Inland Revenue Board of Malaysia ("IRB") issued Notice of Assessment ("Form J") in accordance with Sections 4(c) and 4(f) of the Income Tax Act 1967 ("ITA 1967") to Amat Muhibah Sdn Bhd ("AMSB"), a 52.6% subsidiary company of the Company, on gains from the surrender of certain assets to authorities for the Year of Assessment (YA) 2017. The amount of additional tax assessed, inclusive of tax penalties amounted to RM66.44 million ("Tax in Dispute"). Previously, the gains were brought to tax under Section 4(a) of the ITA 1967 by AMSB.

AMSB did not agree with the basis applied by the IRB and has filed an official appeal against the additional assessment for YA2017 through submission of the prescribed Form Q to the Special Commissioners of Income Tax ("SCIT"). SCIT has set 31 October 2022 as the next mention date of the appeal.

On 1 July 2021, AMSB wrote to the Ministry of Finance Malaysia ("MOF"), requesting MOF:

- (a) to give a general character direction to Director General of Inland Revenue ("DGIR") as to the exercise of the functions of the DGIR under Section 135 of the ITA 1967 and for the DGIR to give effect to the direction so given; or
- (b) to grant an exemption under Section 127(3A) of the ITA 1967 with regards to Tax in Dispute, within the week.

(c) Amat Muhibah Tax Dispute (Cont'd)

As MOF did not respond to AMSB's request, AMSB has filed an application to the High Court of Kuala Lumpur ("High Court") for judicial review against MOF on 8 July 2021 ("MOF Judicial Review"). The High Court fixed 15 September 2021 for the first hearing of the MOF Judicial Review. AMSB has also been granted an interim stay on the payment of the Tax in Dispute until 15 September 2021. Subsequently, the hearing date has been rescheduled to 25 July 2022 and an interim stay has been granted till then. On 25 July 2022, the High Court granted AMSB the leave application of judicial review and a stay was granted until the full and final determination of MOF Judicial Review. Case management was fixed on 8 August 2022.

On 8 August 2022, IRB informed the High Court that it has filed an application to intervene. The next case management date is fixed on 11 October 2022 for both parties to obtain instruction on filing of submission and to fix hearing date.

Based on the opinion obtained from its legal advisors, AMSB has an arguable case that the IRB has no legal and factual basis to raise the Tax in Dispute.
