Dear Sir/Madam,

PROPOSED RENEWAL OF AND NEW SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1.0 INTRODUCTION

- 1.1 The Board had on 21 October 2025 announced its intention to seek shareholders' approval for the proposed renewal of and new shareholders' mandate for Recurrent Related Party Transactions.
- 1.2 The purpose of this Circular is to provide you with the relevant information on the Proposed Mandate and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM of the Company. The Notice of AGM is set out in the Annual Report 2025. The extract of the ordinary resolution on the Proposed Mandate to be tabled at the forthcoming BFood AGM is enclosed together with this Circular.

2.0 DETAILS OF THE PROPOSED MANDATE

2.1 The Proposed Mandate

- 2.1.1 The Company had on 11 December 2024 obtained its shareholders' mandate for the BFood Group to enter into Recurrent Related Party Transactions on terms that are not more favourable to the Related Parties than those generally available to the public. The approval shall in accordance with the Listing Requirements lapse at the conclusion of the forthcoming AGM of the Company scheduled on 3 December 2025 unless approval for its renewal is obtained from the shareholders of the Company at the forthcoming AGM.

2.1.2 Pursuant to Paragraph 10.09(1)(a) of the Listing Requirements, BFood must immediately announce a Recurrent Related Party Transaction where:-

- (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transaction is RM1 million or more; or
- (ii) the percentage ratio of such Recurrent Related Party Transaction is 1% or more, whichever is the higher.

In addition, Paragraph 10.08(2) of the Listing Requirements states that where any one of the percentage ratios of a related party transaction is 5% or more, BFood must issue a circular to its shareholders, obtain specific shareholders' approval for the transaction and appoint an independent adviser. Further, Paragraph 10.08(4) of the Listing Requirements states that where any one of the percentage ratios is 25% or more, in addition to the foregoing, BFood must appoint a main adviser.

2.1.3 Pursuant to Paragraph 10.09(2) of the Listing Requirements, BFood may seek a shareholders' mandate in respect of Recurrent Related Party Transactions subject to the following:-

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the BFood's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by the Exchange. The draft circular together with a checklist showing compliance with such information must be submitted to the Exchange;
- (iv) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested Person Connected with a Director or Major Shareholder; and where it involves the interest of an interested Person Connected with a Director or Major Shareholder, such Director or Major Shareholder must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions; and
- (v) BFood immediately announces to the Exchange when the actual value of a Recurrent Related Party Transaction entered into by the BFood Group exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by the Exchange in its announcement.

Where BFood has procured a shareholders' mandate pursuant to the above, the provisions of the Listing Requirements as set out in Section 2.1.2 of this Circular shall not apply.

Transactions entered into between BFood (or any of its wholly-owned subsidiaries) and its wholly-owned subsidiaries are excluded from the requirements of Part E of Chapter 10 of the Listing Requirements.

2.1.4 The Proposed Mandate, if approved by the BFood shareholders at the forthcoming AGM, will take effect from the date of passing of the ordinary resolution at the forthcoming AGM and shall continue to be in force until:-

- (i) the conclusion of the next AGM of BFood following the AGM at which such ordinary resolution for the Proposed Mandate was passed, at which time it will lapse, unless by ordinary resolution passed at that general meeting, the authority is renewed;

- (ii) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the BFood Group based on those offered by/to other unrelated parties for the same or substantially similar type of transaction to ensure that the Recurrent Related Party Transaction is not detrimental to the BFood Group.
- 2.4.3 The guidelines for the relevant approving authority practised by the BFood Group in relation to the Recurrent Related Party Transactions are as follows:-

**PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY
TO PURCHASE ITS OWN SHARES**

BERJAYA FOOD BERHAD

(Registration No. 200901032946 (876057-U))

(Incorporated in Malaysia)

PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES

1.0 INTRODUCTION

- 1.1 On 21 October 2025, the Board announced that the Company proposes to seek a shareholders' mandate to renew the authority for BFood to purchase its own shares on the Exchange of up to a maximum of 10% of the total number of issued shares.
- 1.2 The purpose of this Statement is to provide you with the relevant details of the Proposed Share Buy-Back and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM, which will be held at Perdana Ballroom, Bukit Jalil Golf & Country Resort, Jalan Jalil Perkasa 3, Bukit Jalil, 57000 Kuala Lumpur on Wednesday, 3 December 2025 at 10.00 a.m. or any adjournment thereof.

2.0 DETAILS OF THE PROPOSED SHARE BUY-BACK

- 2.1 BFood had, at its last AGM held on 11 December 2024, obtained its shareholders' mandate for the Company to purchase its own shares and the aforesaid mandate will continue to be in force until the conclusion of the forthcoming AGM which will be held on 3 December 2025.
- 2.2 A new mandate is required from the shareholders of the Company to renew the authority to purchase up to 10% of its total number of issued shares on the Exchange, subject to the compliance with Section 127 of the Act and the Prevailing Laws at the time of purchase. This new mandate from the shareholders of the Company will be effective immediately upon the passing of the ordinary resolution for the Proposed Share Buy-Back at the forthcoming AGM and will continue to be in force until:-
- (i) the conclusion of the next AGM of the Company following the AGM at which such ordinary resolution was passed, at which time it will lapse, unless by ordinary resolution passed at that general meeting, the authority is renewed, either unconditionally or subject to conditions; or
 - (ii) the expiration of the period within which the next AGM after that date it is required by law to be held; or
 - (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,
- whichever occurs first.
- 2.3 Based on the issued share capital of the Company as at the LPD of 1,947,632,785 BFood Shares, the number of shares that can be purchased by the Company is up to 194,763,278 BFood Shares representing up to 10% of the total number of issued shares of the Company inclusive of the 175,821,661 BFood Shares that have been purchased and retained as Treasury Shares. As such, the balance number of BFood Shares that can be further purchased by the Company pursuant to the Proposed Share Buy-Back is up to 18,941,617 BFood Shares.

On 3 October 2025, BFood announced that its shareholders had, during the EGM of the Company held on the even date, approved the proposed bonus issue of up to 885,905,562 free warrants in BFood ("**Warrants**") on the basis of 1 Warrant for every 2 existing BFood Shares held by the entitled shareholders of BFood at 5.00 p.m. on 21 October 2025. Should the issued share capital of the Company increase due to exercise of the Warrants and/or any new issuance of BFood Shares pursuant to any corporate exercises undertaken/to be undertaken by the BFood Group, the maximum

number of ordinary shares that can be purchased by the Company is up to 10% of the enlarged number of issued shares of the Company at the time of purchase less any Shares Purchased and retained as Treasury Shares.

- 2.4 The amount of funds to be allocated for the purchase of BFood Shares pursuant to the Proposed Share Buy-Back will be financed through internally generated funds and/or borrowings, the proportion of which will depend on the quantum of the cash consideration as well as the availability of internally generated funds and/or borrowings at the time of the purchase(s). In the event the Proposed Share Buy-Back is to be partly financed by borrowings, the Company expects that it will be capable of repaying the borrowings and that the borrowings will not have any material impact on the cash flows of the BFood Group. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Proposed Share Buy-Back.
- 2.5 The actual number of Shares Purchased, the total amount of funds to be utilised for each purchase and the timing of any purchase will depend on, inter-alia, the market conditions and sentiments of the stock market, the availability of financial resources and the retained profits of the Company. The total consideration for the Proposed Share Buy-Back shall not exceed the retained profits of the Company available based on the latest audited financial statements and/or latest unaudited financial statements of the Company (where applicable). The accumulated losses of the Company as per the audited financial statements of BFood as at 30 June 2025 is about RM62.99 million.

- 2.6 The Board may resolve to cancel all the Shares Purchased, or retain all the Shares Purchased as Treasury Shares, or retain part thereof as Treasury Shares and subsequently cancelling the balance.

In the event that the Board resolves to cancel or retain the Shares Purchased, the BFood Group would expect to enhance its EPS and thereby investors are expected to enjoy a corresponding increase in the value of their investments in the Company.

If the Shares Purchased are to be kept as Treasury Shares, it may be realised with potential gain without affecting the total issued share capital of the Company. The Company may also utilise the Treasury Shares as share dividends to its shareholders depending on the availability of profits of the Company and/or resell the Treasury Shares in the open market to profit from any price appreciation of the BFood Shares in the future. The Treasury Shares may be transferred for the purpose of an employees' share scheme or as purchase consideration.

- 2.7 BFood may only purchase its own shares on the Exchange at prices which are not more than 15% above the weighted average market price of the BFood Shares for the 5 market days immediately before the purchases.

The Company may only resell the Treasury Shares on the Exchange or transfer the Treasury Shares pursuant to Section 127(7) of the Act at:-

- (i) prices which are not less than the weighted average market price of the BFood Shares for the 5 market days immediately before the resale or transfer; or
- (ii) at a discounted price of not more than 5% to the weighted average market price of the BFood Shares for the 5 market days immediately before the resale or transfer provided that:-
 - (a) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of the BFood Shares being resold or transferred.

- 2.8 The Proposed Share Buy-Back will be in accordance with the Prevailing Laws at the time of the purchase including compliance with 25% shareholding spread as required by the Listing Requirements. As at the LPD, the public shareholding spread of the Company was approximately 29.61%. Based on the public shareholding spread of the Company as at the LPD, assuming that the

Proposed Share Buy-Back is implemented in full with the purchase from the public entirely, the shareholdings of the Directors and substantial shareholders of BFood and/or persons connected with them will remain the same and all Shares Purchased will be retained either as Treasury Shares or cancelled, the public shareholding spread of BFood is expected to reduce to 28.85%.

3.0 RATIONALE FOR THE PROPOSED SHARE BUY-BACK

- 3.1 The Proposed Share Buy-Back will enable the Company to utilise any of its surplus financial resources to purchase its own shares which may have positive impact on the market price of BFood Shares. The Proposed Share Buy-Back, if implemented, may help to stabilise the supply and demand of the BFood Shares traded on the Exchange and thereby supporting its fundamental value.
- 3.2 The Proposed Share Buy-Back may also improve the future EPS of the BFood Group and the return on equity as a result of a reduced share capital base if the Shares Purchased are subsequently cancelled.
- 3.3 If the Shares Purchased are to be retained as Treasury Shares, it will provide an option for the Company to resell the Treasury Shares at a higher price and generate capital gain for the Company. Alternatively, it may be distributed as share dividends to reward BFood's shareholders in the future.

4.0 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

- 4.1 The potential advantages of the Proposed Share Buy-Back are as follows:-

- (i) allows the Company to take preventive measures against speculation particularly when the BFood Shares are undervalued; and
- (ii) allows the Company flexibility in attaining its desired capital structure.

- 4.2 The potential disadvantages of the Proposed Share Buy-Back are as follows:-

- (i) the Proposed Share Buy-Back will reduce the surplus financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge in future; and
- (ii) as the Proposed Share Buy-Back can only be made out of retained profits of the Company, it will result in the reduction of financial resources available for distribution to shareholders in the immediate future.

- 4.3 Nevertheless, the Board will be mindful of the interests of BFood and its shareholders in implementing the Proposed Share Buy-Back and its subsequent decisions in handling such Shares Purchased.

5.0 EFFECTS OF THE PROPOSED SHARE BUY-BACK

5.1 Issued Share Capital

- 5.1.1 If the Shares Purchased are to be retained in full as Treasury Shares, the Proposed Share Buy-Back will not have any effect on the issued share capital of BFood. However, the rights attaching to them as to voting, dividends and participation in other distributions and otherwise are suspended and the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares for any purposes including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

- 5.1.2 The issued share capital of BFood will decrease if the Shares Purchased are cancelled. The proforma effect of the Proposed Share Buy-Back on the issued share capital of the Company assuming BFood purchases and subsequently cancels up to 10% of the existing issued share capital is as follows:-

	No. of BFood Shares
Issued share capital as at the LPD	1,947,632,785
Assuming all Shares Purchased are to be cancelled pursuant to the Proposed Share Buy-Back*	(194,763,278)
Resultant issued share capital	<u>1,752,869,507</u>

Note:-

- * Inclusive of the 175,821,661 BFood Shares (as at the LPD) that have been purchased and retained as Treasury Shares.

5.2 NA And EPS

5.2.1 NA

The NA per share may be increased or decreased, depending on the purchase price and the number of Shares Purchased. Should the purchase price per Share Purchased exceeds its existing NA per share at the time of purchase, the resultant NA per share should decrease accordingly. Conversely, should the purchase price per Share Purchased be lower than its existing NA per share at the time of purchase, the resultant NA per share would increase accordingly.

5.2.2 EPS

The effects of the Proposed Share Buy-Back on the EPS of BFood would depend on the number of Shares Purchased.

5.3 Working Capital
