[Registration No 199001010193 (201765-A)]

(Incorporated in Malaysia)

**TERMS OF REFERENCE OF THE
RISK MANAGEMENT COMMITTEE**

Introduction

Risk is inherent in every business, and the increased complexity of today's business risk profile coupled with the introduction of new legislation has meant that the ability to effectively manage risk and release potential business benefits had become ever more important. Whilst the Board still retains ultimate responsibility for risk management and for determining the appropriate level of risk appetite, a Risk Management Committee ("RMC") has been established to oversee the Group's risk management framework and policies; and to provide assurance concerning the Group's profile to the Board.

Objective

The objective of the RMC is threefold:

- To be at the forefront of the Group Wide Risk Programme and ensure that a risk management structure is embedded throughout the Group.
- To ensure that the risk management structure is consistently adopted throughout the Group and is within the parameters established by the Board; and
- To ensure compliance with external requirements such as the Main Market Listing Requirements of Bursa Malaysia Securities Berhad's Statement on Risk Management & Internal Control: Guidance for Directors of Listed Issuers.

Authority and Scope

The RMC has delegated authority from the Board with a remit that encompasses all risk management activities within the Group including compliance with the risk management strategy. The RMC reports to the Board.

Composition

The RMC shall comprise at least three (3) members, with a majority of independent non-executive directors approved by the Board, in consultation with the Nomination Committee. No alternate Director shall be appointed as a member of the RMC.

The RMC members shall include a mixture of risk and business management knowledge and experience, including sufficient understanding of the industries in which the Group operates in order to challenge and facilitate robust discussions on the management of the Group's key risk areas with the ability to anticipate, assess and mitigate potential future risks to the Group.

The Chairman of RMC shall attend general meetings to answer any questions raised by shareholders on the RMC's activities.

Terms of Reference

The RMC is responsible for:

- ***Establishing Strategic Context*** - Ensuring that the strategic context of the risk management strategy is complete and takes into account the environment within which the Group operates and the requirements of all stakeholders and the Board.
- ***Establishing Risk Management Processes*** - Determining the overall risk management processes that should be adopted by the business units and developing appropriate guidelines and policies for implementation.
- ***Establishing Risk Management Structure*** - Ensuring a short and long term risk management strategy, framework and methodology have been implemented and consistently applied by all business units.
- ***Embedding Risk Management Capability*** - Ensuring risk management processes are integrated into all core business processes and that the culture of the organisation reflects the risk consciousness of the Board.
- ***Establishing Reporting Mechanism*** - Providing a consolidated risk and assurance report to the Board and Audit Committee to support the statement relating to internal control in the company's annual report.
- ***Integrating & coordinating assurance activity*** - Ensuring alignment and coordination of assurance activity across the organisation.
- ***Establishing Business Benefits*** - Identifying opportunities to release potential business benefits through the enhancement of risk management capabilities within the Group.
- ***Establishing Effectiveness of Risk Management Processes*** - Simplifying and improving the effectiveness of existing risk management structures.
- ***Managing the Group Wide Risk Management Programme*** - Supporting the implementation of the risk management processes within the business. The RMC will act as steering committee for the Group Wide Risk Management Programme (GWRM).

Frequency of Meetings

The RMC will meet on a quarterly basis or such times as may be deemed necessary or required.

Quorum

A quorum of meetings shall consist of three (3) members.
