

BERJAYA CORPORATION'S LATEST AWARD WIN

On 31st July 2018, Berjaya Corporation Berhad was awarded the premium awards of Best Employer Brand, HR Strategy and Talent Management at the 9th Asia's Best Employer Brand Awards 2018. The awards ceremony was jointly hosted by Employer Branding Institute, World HRD Congress and Stars of the Industry Group, supported by CHRO Asia as strategic partner and endorsed by Asian Confederation of Businesses. The awards acknowledged more than 100 organisations across Asia that demonstrated excellence in building their brands and identities as employers of choice visible through their human resource practices, policies and strategies, honouring exemplary work in employer branding in more than 30 Asian countries.

These awards were presented to organisations and individuals, who have surpassed several levels of excellence and set as a role model & exemplary leader. Individuals behind organisations who care, building these organisations as institutions through organisation development; leadership; innovation & change management approach and a supreme objective of building future leaders were duly recognised.

Award for Talent Management, Best Employer Brand and HR Strategy
